Clarification of Results

1. A candidate must secure minimum qualifying marks 40% / minimum point 4.0, stipulated in all the courses separately offered in each semester.

2. A candidate fails to secure at least 40% marks / minimum point 4.0, in any credited course shall be declared to have failed in that course. The candidate may appear as a back candidate in that course in the next corresponding semester examination. He / She shall have three consecutive chances to pass in that course starting with the first chance.

3. A student will be declared Pass/Successful in the B.Ed. Examination, if he/she qualifies each Semester separately and the final result of a student will be determined on the basis of CGPA obtained by the student and relevant letter grade with respective remarks may be assigned to in accordance with the CGPA as obtained in the programme by the student concerned.

He / She shall have three consecutive chances to pass in that course starting with the first chance.

3. A student will be declared Pass/Successful in the B.Ed. Examination, if he/she qualifies each Semester separately and the final result of a student will be determined on the basis of CGPA obtained by the student and relevant letter grade with respective remarks may be assigned to in accordance with the CGPA as obtained in the programme by the student concerned.

Clarification of Results

1. A candidate must secure minimum qualifying marks 40% / minimum point 4.0, stipulated in all the courses separately offered in each semester.

2. A candidate fails to secure at least 40% marks / minimum point 4.0, in any credited course shall be declared to have failed in that course. The candidate may appear as a back candidate in that course in the next corresponding semester examination. He / She shall have three consecutive chances to pass in that course starting with the first chance.

3. A student will be declared Pass/Successful in the B.Ed. Examination, if he/she qualifies each Semester separately and the final result of a student will be determined on the basis of CGPA obtained by the student and relevant letter grade with respective remarks may be assigned to in accordance with the CGPA as obtained in the programme by the student concerned.

  # Similarly, 86% marks in a course equivalent to Point (P) = 8.6,
  48% marks in a course equivalent to Point (P) = 4.8, etc.

- Calculation of Grade Point (GP) = Credit of the Course (C) X Point (P) earned by the candidate in that course.
  Hence, GP=C X P

- Semester Grade Point Average (SGPA) = Sum of Grade Point ÷ Total Credit of the Semester.
  Hence, SGPA = $\sum C \times P \div \sum C$

- Cumulative Grade Point Average (CGPA) of all subsequent Semesters is as follows:
  CGPA = Sum of Grade Point of Semesters ÷ Total Credit Point of B.Ed. Course.
  Hence, CGPA = $\sum$GP of all Semesters ÷ $\sum$C of all Semesters

- Convertibility:
  CGPA / SGPA X 10 = Obtained Marks in %, (For example, when CGPA / SGPA = 6.8, then the marks obtained by the candidate = 6.8 X 10 = 68 out of 100 or 68%).

Clarification of Results

1. A candidate must secure minimum qualifying marks 40% / minimum point 4.0, stipulated in all the courses separately offered in each semester.

2. A candidate fails to secure at least 40% marks / minimum point 4.0, in any credited course shall be declared to have failed in that course. The candidate may appear as a back candidate in that course in the next corresponding semester examination. He / She shall have three consecutive chances to pass in that course starting with the first chance.

3. A student will be declared Pass/Successful in the B.Ed. Examination, if he/she qualifies each Semester separately and the final result of a student will be determined on the basis of CGPA obtained by the student and relevant letter grade with respective remarks may be assigned to in accordance with the CGPA as obtained in the programme by the student concerned.

He / She shall have three consecutive chances to pass in that course starting with the first chance.

3. A student will be declared Pass/Successful in the B.Ed. Examination, if he/she qualifies each Semester separately and the final result of a student will be determined on the basis of CGPA obtained by the student and relevant letter grade with respective remarks may be assigned to in accordance with the CGPA as obtained in the programme by the student concerned.
